

# JPRO Network Core Values

## **EQUAL ACCESS/פתיחות לכל**

We are all needed at our best. Each one of us – at every career stage, in every role, and in every community – should have the opportunity to be invested in and to grow to our professional potential in order to achieve the greatest possible impact.

## **EXCELLENCE/מצוינות**

With much at stake, we expect and hold one another accountable for ambitious goals, high standards, and exceptional quality.

## **HONOR(UR)/כבוד**

We understand that working for and on behalf of the Jewish community is sacred work, and we honor our professionals, elevating the labor, talents, and accomplishments of all.

## **INTERCONNECTEDNESS/רשת**

We cultivate and gain strength from a vibrant ecosystem that is interconnected and interdependent.

## **LEARNING/למידה**

We recognize the centrality of ongoing learning to our development, the actualization of our professional potential, the quality of our work, and our ultimate impact.

## **INSPIRED RELEVANCE/חדשנות ומסורת**

Rooted in past experience, we lean into the future with an innovative spirit and excitement about what is yet to be created.

JPRO Network is committed to **Diversity, Equity, Inclusion, and Justice** (DEIJ) and is developing the ways in which DEIJ will shape JPRO and our work with and for professionals and the field.
